

DR85K

Mosaic

Fuel Type	Wood
------------------	-------------

Oven Type	Rotary
------------------	---------------

Silicone Coating

Cupola design wood oven with rotating base in a very compact size. Very attractive and elegant with double door – one for the main baking chamber and additional door for the wood burning chamber. A separate drawer for the wood burning ashes. In addition to all of this you have a fully adjustable rotating base. Modern wood oven with very high durability and efficiency – this is what this model offers. Produced in two designs – silicone coating and mosaic finish with various colour options.

Capacity	4  30cm
Productivity	60  per hour
Firewood Consumption 	3 – 4 kg per hour
